

Kingdom Leadership Institute is a ministry of The Gospel, Inc. in Ruston, LA. The Gospel was established in 1979 by Pastors Robert and Margaret Daulton. The mission was and remains the directive given in Isaiah 61:1-3.

“The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the afflicted; He has sent me to bind up the brokenhearted, to proclaim liberty to captives and freedom to prisoners; To proclaim the favorable year of the Lord ...So they will be called oaks of righteousness, the planting of the Lord, that He may be glorified.”

Kingdom Leadership Institute uses this scripture as the basis for what we teach. No matter the area of marketplace ministry one feels called into, the principles put forth in Isaiah 61 apply. It is our desire to see young leaders established as trees of righteousness, with deep roots and a full range of skills, so that they in turn can proclaim liberty to the captives. In order to fulfill this scripture, students will learn to move effectively in healing, deliverance, and the prophetic, as well as learning counseling and coaching skills.

Kingdom Leadership Institute is for those who want to to live fully in God's Kingdom and teach others to do the same. This school is for those who are solidly grounded in the Word of God and in their personal faith. Attendees should be mature and stable Christians.

Kingdom Leadership School is based at The Gospel Christian Training Center. The facility is situated on 87 acres of rolling hills in north central Louisiana. The picturesque ten-acre lake boasts of its own island with foot bridges linking the more populated area with the wildlife refuge and running trails in the outback. Such a setting allows a distraction-free zone that allows students to get everything they need.

Purpose

How many times have you heard an older person say, "If only I had followed my dreams" or "I've wasted so many years doing something I hate". Kingdom Leadership will help young people discover their identities, identify their passions, and overcome personal constraints to help them determine the path they should follow so that they won't have those regrets. Why should anyone wait until their 40's, 50's, or 60's to discover God's plan for their lives? Instead, students, ages 18 - 25 can begin to discover their destinies at an early age so they can accomplish all that God has for them.

We believe that the next generation of leaders must be trained to move into their areas of influence. In many cases, young people have the enthusiasm and the call but don't have the essential skills for success. Kingdom Leadership will take young leaders and give them the skills that everyone needs to become a peak performer.

Curriculum Elements

Instruction and coaching will be provided on elements of leadership, such as communication, conflict resolution, team building, decision making, and problem solving. Students will also discover the signature strengths that make them unique, identify their passions, and discover their destinies.

Spiritual instruction will be offered on how to hear from God and be led by the Holy Spirit, spiritual warfare, and deliverance.

In addition, students will learn valuable life skills including cooking, financial basics, time management, maintenance, and more. Each student will work with a team to develop and implement events, which provides hands-on

learning that can't be gained just anywhere.

An important element of the program are the personal coaching sessions, tailored to each student, that will enhance learning and continue for several months after graduation.
